Dear David:

Congratulations on winning the talent competition you were in and good luck on the show this Friday!

I really do appreciate you as a fan....and mimicry is a sincere form of being a fan. Do develop your own special talents and abilities though, David. This is a great compliment to me that you would work so hard on this act like mine but never neglect your own special abilities to be yourself also.

Best wishes in the future and God bless you.

Sincerely,

Elvis Presley
